U.S. Probation Officer Action:

Berger was placed in the residential treatment program at Integrity House in Secaucus on November 14, 2022. On December 15, 2022, Berger was advised he was required to register as a sex offender while in the treatment program. The next day Integrity House staff transported him to Secaucus Police Department to register. While registering, he was charged with the above-listed crime, as he was required to register within 10 days of arriving at the facility.

The probation office has met with Berger and advised him of all sex-offender reporting requirements, including temporary stays in treatment programs, halfway houses, and shelters. Should he fail to register again, the Probation Office will seek additional action by the Court.
